Casey	Jayden
Affiyah	George
Logan	Danny
Josiah	Tom

Our virtual 'Celebration Assembly' takes place every Friday morning after the last live online lesson. Each week, we share the achievements of the children who have been chosen to receive a certificate for their effort or attainment in maths, English, subject work or for the demonstration of one of our PUPAC values (Positivity, Urgency, Passion, Aspiration and Commitment).

Reading Corner

My favourite book is ...

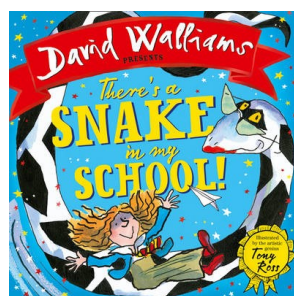

'There's a Snake in my School' by David Walliams

I love to read because ...

I enjoy spending time with my family when we read together. I really enjoy reading funny books that make me laugh.

Reading is important because ...

It's because it is valuable for your future. You need to be able to read to do all of your favourite things like playing games.

Zones of Regulation

This week, in our work on Zones of Regulation, we have been thinking about how the size of our reaction should match with the size of the problem we are facing.

How Big is My Problem?

5	Emergency, Tragedy, Danger	Crying uncontrollably, Very Upset, Scared	
4	People talking about you, someone hits you	Crying, Very Sad, Mad, Frustrated	
3	Having to work with someone you don't like, receiving consequences for unexpected behavior	Nervous, Sad, Irritated, Disappointed	
2	Not being first in line, having to wait or take turns	Uncomfortable, Dissatisfied	
1	No Real Problem	Happy, Calm, Relaxed	
The size of my REACTION should match the size of the PROBLEM! *Don't overreact 😊
