| Jewel | Lewis |
| Elizabeth | Arifa |
| Daisy | Carson |

Our virtual 'Celebration Assembly' takes place every Friday afternoon after the last live online lesson. Each week, we share the achievements of the children who have been chosen to receive a certificate for their effort or attainment in maths, English, subject work or for the demonstration of one of our PUPAC values (Positivity, Urgency, Passion, Aspiration and Commitment).

A message from Mr. Drinkwater

I hope that you all had an enjoyable and restful half term break. This week, it has been great to see so many children return to their lessons, either virtually or through our home learning packs. The commitment and passion for their learning shown by the pupils of White House Academy is always fantastic to see.

Earlier this week, I am sure that you would have seen the Government's announcement that all pupils will return to school from Monday 8th March. At White House, we really can't wait to welcome everyone back to our academy.

As I'm sure you can imagine, since the announcement was made, we have been busy planning for the reopening of our academy. As is always the case, the safety and wellbeing of our pupils, staff and families will be our top priority. You will have received a letter from me today which gives further details of how the reopening will be managed.
